Re: Pennichuck Water Works, Inc. – Rate Case – Test Year 2012

Dear Mr. Dodge:

On July 15, 2014, the New Hampshire Public Utilities Commission issued Order No. 25,693 confirming that the rate case filed by Pennichuck Water Works, Inc. on May 31, 2013 resulted in no increase in water rates for the customers of Pennichuck Water Works, Inc.

The Order is posted on the Commission's website (www.puc.state.nh.us) and on the Company's website (www.pennichuck.com under the "Company Reports" caption).

If possible, we would appreciate your posting this letter on your Town website in order to inform customers being served by the Company.

Feel free to contact me at 913-2301 if you need further information relative to the Order.

Sincerely,

A handwritten signature in black ink that reads "John L. Patenaude".
