7:15 TIM MATTE – NEW LANE ISSUE

Tim Matte, the developer of the Prescott Orchards spoke about New Lane as he missed the Deliberative Session. Mr. Matte feels there are some misconceptions about the 5 lots that abut New Lane. The only part of New Lane that has an issue is where it meets MacIntosh Lane. The plan was approved with these lots and the issue didn't come to light until 2 years into the project. He is not looking to have more house lots or build on conservation land but would like to resolve the New Lane issue. There is a petition warrant article to close this part of the road.
