Town of Epping, New Hampshire  
Office of the Water & Sewer Commission

## FULL TIME POSITION OPENING

### Operator – Epping Water and Sewer Department

The **Town of Epping** is accepting applications for the full-time position of **Operator** for the **Water and Sewer Department**. This is skilled work in the operation of a sewage treatment plant and/or Water Treatment Plant. Work involves responsibility for the operation and servicing of pumps, air compressors, and other appurtenances at both treatment plants and pumping stations. Performs custodial and maintenance work as it relates to the cleanliness, elimination of rust and general upkeep of plant facilities and grounds.

Candidates must have a high school diploma or equivalent and the ability to understand and follow oral and written instructions, accurately follow operating and recording procedures, and detect faulty operation characteristics in equipment or processes and institute remedial action. State of New Hampshire requires that employees in this position acquire a minimum of NHDES Wastewater Operator 2 certification, NHDES Water Treatment Operator 1 Certification, and NHDES Water Distribution Operator 1 Certification. All certifications will have to be obtained within 18 months of hiring. There will also be a requirement of a CDL-B with a tanker endorsement within 18 months of employment.
