<https://publicinput.com/Exeter2020HHW>

## WHY PARTICIPATE?

Hazardous waste is not just an industrial problem. Many household products contain hazardous chemicals. We are all hazardous waste generators. 10 Gallons of waste (or 20 lbs) may be disposed of by each household

## NOT ALLOWED

The following wastes cannot be accepted:

- Latex paint (not hazardous)
- Alkaline batteries (not hazardous)
- Electronics
- Gas cylinders
- Explosive materials
- Ammunition
- Radioactive materials
- Infectious and biological wastes
- Prescription medicines/syringes
- Esters
- Unknown materials
