

TOWN OF EPPING - TRICK OR TREAT

SATURDAY OCTOBER 31, 2020

5 – 7 PM

In an effort to maintain Trick or Treat and in the safest way possible during the pandemic, the Town of Epping is offering the following guidelines.

If you do not wish to have your home participate in giving out treats, you may simply dim your lights and even include a sign if you wish.

Homes who are participating in Trick or Treat should ...

- Only give out wrapped items
- Give out items outside, on a table, keeping 6-foot distance, or behind a storm door and replace treats before each visitor or group
- Not hand treats to children directly
- Put out hand sanitizer
- Create a one-way traffic flow if possible

Trick or Treaters who are participating should ...

- Trick or Treat in small groups, preferably with family members only, and within your own neighborhood
- Avoid large groups and going inside any homes
- Carry hand sanitizer, gloves are not recommended
- Wear protective masks (this may be a part of a costume if it's cloth)

If you are uneasy about getting treats door to door, you can always just provide your own. Then you can still go door to door and hand them out to your own children at each stop.

The Board of Selectmen reserve the right to adjust these guidelines at any time based on updated recommendations from the CDC and/or State of NH.
